

Giving you a more connected and intuitive way to trade.

The Intact Insurance broker portal builds on the strong foundations set by RSA Online and NIG The Hub.

Designed to make trading simpler, faster, and more consistent.

Giving you clarity, control, and confidence across the journey.

One login. Total **simplicity.**

A single sign on gives you access to all of Intact Insurance's digitally traded products.

Have a login to NIG The Hub?

You can use your existing NIG The Hub login to access everything.

Previously used RSA Online?

Your access will be linked to the new portal and we'll share guidance to ensure you're ready for day one.

16 products available for trading on the portal, **five of which are refreshed.**

01
Shops

02
Property Owners

03
Offices and Surgery

04
Business Combined

05
Tradespeople & Professionals

All updated with wider eligibility and increased limits - Defaqto have rated all 5 of our refreshed products 5 star.

Tools to help you move **faster.**

Improvements that support smoother journeys and faster decisions.

Useful eligibility tools.

Upfront Trade and Flood checkers so you know sooner if we can help you with your risk.

Redesigned search.

A faster, more intuitive search across the portal.

Recent activity feed.

Quick visibility of your latest actions.

Streamlined product journey.

Early eligibility checks and a modernised client search for a smoother quote journey.

Giving you greater **control.**

Improvements that support faster decisions and smoother journeys.

Better self-service.

Manage users in-house, with no additional steps or delays with broker admin capability. FAQs available if you need support.

Broker-led cancellation.

Available across all products, giving you more flexibility and less back-and-forth.

What next?

This is just the start. You can look forward to more improvements as we continue to shape our digital journey.

When you choose to work with us directly, you should feel the benefit from the first click.
