Right Time Health: GP and wellbeing services

Healthcare comes in all shapes and sizes. That's why our UK-based employees and their immediate family also have access to a wide variety of health and wellbeing services.

What support is available to you?

No matter your health concern, knowing you're able to call upon expert help when it's needed can make a huge difference. Through Right Time Health, you'll have access to:

- **Virtual GP appointments and consultations**
 - Limitless access to 24/7 GP services, including E-prescriptions and referrals.
- **Second medical opinion**
 - Talk with paediatricians, family doctors and other specialists to help make informed decisions.
- **myStrength wellbeing app**
 - Access a suite of online tools and support to help you tackle emotional challenges.

Any questions?

If you have any questions about the details of the policy – or just want to learn more – you can reach out to [\[insert details of relevant department or individuals here\]](#).

Find out how to sign up by watching the YouTube video [here](#).
