## Why Intact Insurance.

**Intact Insurance offers integrated global propositions for brokers and customers with more complex international risks. Our specialty lines business spans across more than 20 verticals in four distinct markets - U.S., Canada, U.K., and Europe. With access to more than 70% of the global specialty lines market, the ability to write business in more than 150 territories, and 130 global network partners. We have the expertise and capacity to successfully manage global specialty needs.**

Our teams focus on businesses both in the UK and globally. Using their knowledge and experience to understand the needs of your clients and provide quality insurance solutions and specialist advice and guidance.

To meet the growing needs of multinational organisations seeking a single-sourced insurance programme, we provide a solution to simplify their protection. Our global programme is designed with the aim to meet their expectations in terms of costs, coverage and compliance.

Clients can rely on us, as a reputable multinational insurer. We have the local knowledge and global experience to coordinate requirements, from country to region and structure insurance solutions that protect their global operations.
