

Factsheet: Risk Managed Liability.

Our Risk Managed Liability product is tailored to your client's needs, with our team focussing on businesses both in the UK and globally. The service proposition is centred around building a bespoke programme that fits the client's business. Our underwriters are empowered to make decisions and run each programme collaboratively and to a high standard.

Appetite coverage.

We provide casualty solutions for Primary and Excess of Loss across Employers Liability, Public Liability and Products Liability.

Lead primary capacity across business classes:

- Capacity - **PL up to £50m LOI**
- Capacity - **EL up to £25m LOI**

Key features of coverage.

We provide tailored solutions to all our clients that are designed specifically for their business.

We offer policies and services to clients in over 150 territories by utilising our well-established Global Network model. This enables us to retain flexibility and oversight in managing local exposures. We provide risk engineering services designed to minimise the overall cost of risk while aligning with our clients' specific risk management objectives.

Target audience / customer.

Intact Insurance has the capability to operate across a wide range of industry sectors and geographical regions.

We are particularly interested in partnering with companies that prioritise a strong risk management philosophy and culture. Additionally, we seek organisations that are committed to collaborating with their insurer to effectively minimise the overall cost of risk.

The Intact Insurance difference.

Global reach, **local expertise.**

Knowledge that takes your business further.

Our team brings expert understanding of your sector's risks. From industry specialists to risk consultants, they help match our service to your evolving needs.

Partnerships that make the difference.

We act as an extension of your business. This means we'll work with you to shape and deliver an effective insurance solution and risk management strategy.

Solutions that are grounded in reality.

We strive to deliver pragmatic solutions based on your budget, current situation and future plans. We aim to help you save your business time and money; protecting your people, your reputation and your bottom line; and keeping your business moving.

Financial security.

Why Intact Insurance.

Intact Insurance offers integrated global propositions for brokers and customers with more complex international risks. Our specialty lines business spans across more than 20 verticals in four distinct markets - U.S., Canada, U.K., and Europe. With access to more than 70% of the global specialty lines market, the ability to write business in more than 150 territories, and 130 global network partners. We have the expertise and capacity to successfully manage global specialty needs.

Our teams focus on businesses both in the UK and globally. Using their knowledge and experience to understand the needs of your clients and provide quality insurance solutions and specialist advice and guidance.

To meet the growing needs of multinational organisations seeking a single-sourced insurance programme, we provide a solution to simplify their protection. Our global programme is designed with the aim to meet their expectations in terms of costs, coverage and compliance.

Clients can rely on us, as a reputable multinational insurer. We have the local knowledge and global experience to coordinate requirements, from country to region and structure insurance solutions that protect their global operations.
