

We understand Motor Insurance.

An overview of our appetite.

Capacity

Available to all fleet customers
operating from:

5 vehicles

upwards and with no
upper vehicle limit.

Core appetite

For fleets with:

15 to 250

vehicles with ability to quote for fleets
outside these parameters and tailor
our proposition.

Target customer types.

We target fleets with primarily private cars and small commercial vehicles but we are able to quote for all the below vehicle types where featured as part of the risk:

- Private cars and commercial vehicles
- Special Type and agricultural vehicles
- Mini Buses and HGVs

We can offer particularly good deals for:

- Predominantly vans and cars
- Businesses established more than three years
- Good fleet risk management
- Experienced driver profile
- Prompt or direct claims notification
- Use of telematics and cameras

Haulage trades can be considered on an individual case basis.

Exclusions.

- Coaches & buses
- Vehicle collection/delivery
- Airside and blue light exposures
- Fast food delivery

- Motor sport
- Self drive hire
- Police and fire authorities

What sets Intact Insurance apart?
