Why it's important you provide correct information

Your policy may be declared void and you will not be entitled to any benefits or help if you falsely represent or fail to fully and accurately disclose, the answers to requested information as part of your application for this insurance; or any further changes you ask for under this policy.

For example, this could include:

- not telling us about motoring convictions or fixed penalties or not providing a driving licence number
- not telling us about unspent criminal convictions
- not telling us about previous accidents or losses, even if a claim was not made
- not telling us about modifications to your car
- giving us false information about who is the registered keeper or owner of your car
- giving us false information about the main user of your car.

THIS IS NOT A FULL LIST. YOUR SCHEDULE CONTAINS ALL OF THE INFORMATION WE NEED TO DETERMINE YOUR ELIGIBILITY FOR THIS POLICY AND HOW MUCH YOUR PREMIUM SHOULD BE. YOU MUST CONTACT US IF ANYTHING ON YOUR SCHEDULE IS INCORRECT OR CHANGES.

If you commit fraud in connection with your application for this policy or with any changes to it, we will not make any payment, provide any other help or benefits, and will not return any premium to you. Where we identify fraud we reserve the right to void your insurance with immediate effect and without providing you with any notification or warning. Where we void the policy we will contact you at your last known valid address which could be either postal or e-mail. If the postal address used is known to be fraudulent no postal communication will be issued.

UNDERSTANDING YOUR CAR INSURANCE

Changes to information on your Certificate of Motor Insurance or Schedule

We must be told about the following changes immediately:

- Change of car/addition of another car
- Change of drivers
- Change of use.

Your Schedule contains all of the information we need to determine your eligibility for this policy and how much your premium should be - you must contact us if anything on your Schedule changes.

Changes to driving licence numbers

If you change name or gender, you need to tell the DVLA. It will then supply you with a new driving licence number. You must tell us your details including your new licence number as soon as you know them.

If you want to drive another car

Your Certificate of Motor Insurance will show you if you are covered for driving cars which do not belong to you or your partner. This will provide third party cover only when driving another car. This limited cover can be useful in an emergency - but if you drive someone else's car regularly, you should be named on their policy.

How to cancel your policy

We hope you are happy with your policy. If you are not, please advise us within 14 days of the date you received your policy documents. We will then give you back your money provided there have been no claims under this policy. For full details please see the cancellation section of the policy Schedule. Any refund of premium will be subject to the administration charges shown on your Schedule.

You can cancel your policy by contacting us by telephone or writing. Please see the 'Policy Cancellation' section of your policy Schedule for terms and fees that may be applicable.

Driving abroad

Your policy provides cover while your car is in (or being transported between) any EU country, or a country approved under the motor insurance Directives of the European Commission. It only provides the minimum cover required by law while you're in these countries.

If you contact us and pay an extra premium we will extend your policy to benefit from the same level of cover enjoyed in the British Isles while your car is in these countries. See [Section 12 - Territorial limits and driving your car abroad](#) for more information.

Please take your Certificate of Motor Insurance and the European Accident Statement abroad with you. Also check www.fco.gov.uk for information on what you must take with you while driving in foreign countries.

If you're involved in an accident abroad, don't sign anything (particularly if it's written in a foreign language) until you're certain you understand and agree with every word.

Towing

Your policy provides cover for your legal liabilities while you are towing. It doesn't provide cover for theft or damage to items being towed. You will need to arrange separate cover against loss or damage to these elsewhere.

Death of Policyholder

To enable us to take instructions, due to legal constraints we will require the following documents:

- certified copy of the death certificate, and
- proof of the validity of the executor, or
- grant of letters of administration.

Excesses explained

An 'excess' is the part of each claim that you're expected to pay. This varies depending on the type of claim you're making.

For accidental damage, fire, and theft claims, there are both 'voluntary' and 'compulsory' excesses which you'll have to pay when you make a claim. We set the compulsory excess, and you choose the voluntary excess when you take out or renew the policy. The level you choose will affect the cost of your insurance. For windscreen claims, there is no voluntary excess.

You can find the excesses that you will have to pay for each type of claim on your Schedule.

You earn **No Claim Bonus** for each year of cover during which **you** do not claim. The bonus increases each year up to the maximum shown below.

Any claims, if **you** are 'at fault' (or **we** cannot recover full losses from another person's insurer) will reduce **your No Claim Bonus** in line with the scale shown below.

Earned No Claim Bonus you are entitled to at the start of your policy, or when it was renewed last year	Earned No Claim Bonus applicable at next renewal if claims made during the period of insurance:		
	One Claim New No Claim Bonus	Two Claims New No Claim Bonus	Three or more Claims New No Claim Bonus

 - under **Section 7: Personal accident**.

 - the incident has not been caused by another vehicle, and
 - the Police have been notified and

No Claim Bonus Protection

This section only applies if listed on **your Schedule**.

No Claim Bonus Protection does not protect the overall price of **your** insurance policy. The price of **your** insurance policy may increase following an accident even if **you** were not at fault.

If **you** have **No Claim Bonus Protection**, the following will apply:

- we** will not reduce **your No Claim Bonus** entitlement if a claim or claims are made under **your policy**
- we** will not cancel **your policy** as a result of the number of claims made under **your policy**.

The following also applies:

A. Control of claims

You are free to appoint **your** own **Legal Representative** as stated at Part C – Legal Representation.

You must:

- keep **us** informed of any developments relating to **you** or **your** claim as soon as possible after **you** find out about them
- follow **your** **Legal Representative's** advice
- not start, defend, stop or withdraw from **Legal Proceedings** without **our** agreement

Your **Legal Representatives** will provide **us** with whatever updates **we** require to enable **us** to monitor compliance with the **policy** terms. They will also give **us** an up to date assessment of the merits of the claim.

If in any **Legal Proceedings** **your** claim is not successful and **you** want to appeal, **you** must write and tell **us** and **your** **Legal Representatives** no later than:

- 14 days before the time for making an appeal ends, or
- as soon as possible if the time period during which **you** may make an appeal is 14 days or less.

We will cover **your** **Legal Expenses** for the appeal if **we** agree with **your** **Legal Representative** that **your** appeal has **Reasonable Prospects** and it is reasonable to pursue (as set out more fully at Condition B).

B. Reasonable prospect of success and reasonableness to pursue in civil cases

We will continue to pay **your** **Legal Expenses** so long as **we** remain satisfied that:

- a. **your** claim has **Reasonable Prospects**, and
- b. it remains reasonable to fund **your** claim.

In determining whether it remains reasonable to fund **your** claim, **we** will consider whether a person without legal

expenses insurance but with available funds, would continue to fund the case themselves taking account of the likely financial compensation available from the claim compared to the legal costs to be incurred in obtaining that compensation.

We will also take into account the legal opinion provided by your Legal Representatives in reaching our decision.

If your Legal Representative is not of the view that your claim has Reasonable Prospects, we will on your request pay your Legal Expenses for the circumstances to be reviewed further by your Legal Representative, for a period of no longer than two hours, to reassess the prospects of success.

If, at the end of this further review, your Legal Representative is of the opinion that the claim has Reasonable Prospects, we will continue to pay your Legal Expenses.

If you dispute the accuracy of any general practitioner or orthopaedic medical report obtained by your Legal Representative in the course of your claim, and we accept your dispute, we will pay for a second medical report from a suitably qualified medical practitioner.

If at any time we or your Legal Representative consider that your claim or the Legal Proceedings do not have Reasonable Prospects or it is no longer reasonable to fund the claim, we will confirm this in writing to you and inform you that we will not pay any Legal Expenses for work undertaken after you have received the notice. In any event, you have the right to continue the claim or Legal Proceedings following receipt of the notice but this will be at your own expense.

C. Accounts and level of expenses

You or the Legal Representatives must pass on to us all accounts for Legal Expenses as soon as possible after receiving them.

We may require you to ask the Legal Representatives to have the Legal Expenses assessed, taxed or audited to determine to what extent Legal Expenses are payable.

D. Settling early

You must tell us as soon as possible of any offer or payment which is made to settle the claim. You must not accept or make any offer to settle the claim without our permission.

We will not refuse permission without a good reason. If you reject or delay acceptance of an offer or payment without our permission we will not pay any Legal Expenses incurred from the date of that offer.

If we or your Legal Representatives feel that an offer to settle the claim should be accepted, but you reject that offer and if you are eventually awarded or agree to accept an offer which is equal to or lower than the offer you had rejected, we will not pay for any Legal Expenses incurred and/or which you are ordered to pay from the date of the offer which you rejected.

We will expect any settlement to include provision for payment of your Legal Expenses unless we agree otherwise.

E. Options to reimburse

Where in our reasonable opinion you would suffer no detriment, we may choose to pay you the value of the claim for Uninsured Losses in full and final settlement of any entitlement to indemnity for Legal Expenses.

F. Conflict of interest

If at any time during the course of the claim, we become aware of any possible conflict of interest between you and us or on the part of the Legal Representatives, we will tell you in writing. You have the right to choose an alternative solicitor or other qualified person to act as your Legal Representative and take over the claim.

G. Dispute resolution

You have the right to take any dispute with us to arbitration.

We also have the right to take any dispute with you to arbitration. The arbitrator will be either a solicitor or barrister agreed by us and you and if agreement can't be reached the Bar Council or the President of the Law Society will choose one within the British Isles. Whoever loses the arbitration must pay all the costs and expenses of the other party. If the decision goes against you, you cannot claim the arbitration costs under your Policy.

We will give you written details of the right to arbitration. If you want to take any dispute with us to arbitration, you must tell us this in writing.

Using the arbitration procedure does not prevent you from referring the matter to the Financial Ombudsman Service or the right to appeal against the arbitrator's decision in a court of law.

H. Cancellation

You may cancel this section of the Policy at any time. No refund of premium will be given.

We may cancel your policy where there is a valid reason for doing so. If we do this, we will contact you either in writing to your last known address or by email giving you at least seven days notice. We will confirm any action required from you, together with the date from which the policy will be cancelled if you do not comply with our requirements.

Valid reasons may include but are not limited to:

- A default in instalment payments due under any linked loan agreement. If you pay your premium monthly, cover under this policy will end if you do not pay any monthly premium when it is due. If you cancel your policy after an event which may lead to a claim, you must pay us the rest of your premium up until the next renewal date
- Where we have been unable to collect a premium payment
- Failing to provide information or documentation requested by us. This may include but is not limited to information required by us to process a claim or defend our interests

Conditions which apply to Section 14 - Breakdown Cover

Applicable to all levels of breakdown cover.

A. Looking after your car

You must replace any part of **your car** which is not working properly, including the battery, within 28 days of discovering the fault. If a part is not replaced and a further **breakdown** of the same or similar cause recurs within 28 days, **we** reserve the right to refuse assistance or to charge a fee that is the same as the recovery agent's normal call-out charge.

You must maintain **your car** in line with the manufacturer's recommendations and only use it in a roadworthy condition.

You must carry a serviceable spare wheel for **your car** (including a spare wheel for any caravan or **trailer** whilst being towed) at all times.

Your car must be covered by a valid MOT certificate, if applicable.

B. Requests for emergency assistance

If you need **emergency assistance**, you must contact **us** by phone. **We** must authorise any **emergency assistance**, otherwise you will have to pay any costs. You must quote the policy number when calling for **emergency assistance** so **we** can confirm that cover under this section applies.

The **driver** or another person covered under the **policy** must be there when the recovery agent is providing **emergency assistance**.

C. Selecting the appropriate assistance service

Depending on the incident, **we** will decide what is the most suitable form of **emergency assistance**. If you do not accept this decision, **we** will not pay more than the cost of the **emergency assistance** **we** recommend.

D. Conditions of car hire

The **replacement car** must be hired to a person who is covered under the **policy**. He or she will be responsible for collecting and returning the car to the car hirer.

The **replacement car** hirer's normal terms and conditions will apply.

This may mean that:

- they may refuse to hire a car to anyone covered under the **policy** who is under 21 or over 70, or has held a driving licence for less than one year, or who has certain endorsements on their licence, or
- they may need a deposit for the cost of fuel and to protect the car hirer against the car not being returned.

The availability of car hire is not guaranteed.

We cannot guarantee to provide a car with a towbar, child seats or an automatic gearbox, or which will take roof bars, a roof rack or a roof box.

E. Safety of contents

The driver is responsible for the contents of **your car** as long as he or she is covered under the **policy**.

If **your car** is recovered, **we** will decide whether to transport any animal. If **we** decide not to transport any animal, it is **your** responsibility to make alternative arrangements for its transportation.

F. Responsibility for the repairer's acts or neglect

Once **your car** has been taken to a repairer, **we** will not be responsible for any repair work they do while they are following **your** instructions.

G. Emergency assistance which is no longer needed

After asking for **emergency assistance**, if you or anyone covered under the **policy** repairs **your car** and you do not tell **us** about this, **we** may charge a fee that is the same as the recovery agent's normal call-out charge.

H. Collecting the car following a repair

You are responsible for collecting **your car** from the garage after repairs have been completed.

I. Notice

You must report a **breakdown** as soon as you become aware by phoning the emergency number provided, even if you do not need assistance immediately.

J. Cancellation

You may cancel this section of the **policy** at any time. **We** will refund the appropriate proportion of **your** premium calculated from either the date you contact **us**, or the future date from which you would like this section of **your policy** cancelled, provided that with the exception of claims under **Section 1 – Windscreen and windows** or **Section 14 – Breakdown**, there have been no claims under this **policy** and you are not aware of any incident which may give rise to a claim under this policy.

We may cancel **your policy** in the event of five breakdowns occurring within any one **period of insurance** or where there is a valid reason for doing so. If **we** do this, **we** will contact you either in writing to **your** last known address or by email giving you at least seven days notice.

This letter will confirm any action required from you, together with the date from which the **policy** will be cancelled if you do not comply with **our** requirements. Full details can be found in **Policy Condition G** of **your policy** wording. **We** will then refund the appropriate proportion of the premium already paid in respect of this section for the remaining **period of insurance**.

CONDITIONS THAT APPLY TO THE WHOLE POLICY

The following conditions apply to every section of **your policy**. Failure to comply with **your** obligations as noted within these conditions may result in:

1. a claim being rejected or reduced.
2. **your policy** being declared invalid.

A. Reporting a claim

You must tell **us** as soon as **you** become aware of any incident or **legal proceedings** which may lead to a claim.

If there has been a theft or attempted theft, **you** must also tell the Police as soon as **you** become aware. **You** should initially notify **us** of **your** claim by phone. **Your** initial claim contact number is shown in **your policy** documentation and on **our** website.

If **we** then decide that **we** need an Accident or Theft Report form **we** will send one to **you** which **you** should complete and return.

We may ask **you** to provide all the details in writing together with any evidence which **we** may need. If **you** receive a writ, summons or other legal documents or letters, **you** must send them to **us**.

You must not answer any letters without **our** written permission.

- cancel this **policy** with immediate effect or
- serve **you** with seven days' notice of cancellation on this **policy** or
- void this **policy** from its inception or from the date of the fraudulent act

We will also decide whether to:

- pass details to the Police and fraud prevention agencies

D. Licence checking

If **you** are providing driving licence number(s), **you** must seek permission from every **driver** before doing so.

We may re-assess **your** cover and premium as a result of any important information **you** give **us**.

If **you** do not tell **us** anything which is relevant:

- **your policy** may not be valid
- **we** may reject **your** claim, and
- **we** may cancel **your policy**.

F. Looking after your car

You and any other **driver** must do everything possible to prevent loss or damage and keep **your car** or any **guaranteed hire car** in good condition.

Valid reasons include but are not limited to:

- A default in instalment payments due under any linked loan agreement. If **you** pay **your** premium monthly, cover under this **policy** will end if **you** do not pay any monthly premium when it is due. Where **we** are unable to collect an instalment, **we** will contact **you** in writing requesting a payment by a specific date. If payment is not received by this date, **your policy** will be cancelled.

You can cancel **your policy** by contacting **us** by telephone or in writing. Please see the 'Policy Cancellation' section of **your policy Schedule** for terms and fees applicable.

H. Other insurance

If a claim under your policy is also covered by other insurance, **we** will only pay **our** share of the claim.

We will not share the following claims:

- if **you** are driving another car and are covered by another insurance for that car (see 'What is covered' in **Section 4** – part B)
- if a person other than **you** is driving **your car** and is covered by another insurance (see exclusion 5 of 'What is not covered' in **Section 4**).

I. Taking over your rights

If **you** make a claim, **you** must be prepared to take any steps **we** ask **you** to take to protect **your** rights. **You** must also be prepared to allow **us** to act in **your** name and take any steps **we** feel are necessary to protect **your** rights.

This may mean that **we** defend or settle the claim in **your** name. If this happens, **we** will pay any costs and expenses involved.

J. Cover for car sharing

Your policy allows you or your partner to receive a mileage allowance from your or your partner's employer, or accept payment from passengers in your car as part of a car-sharing agreement, as long as:

M. Administration fees

An administration fee will be made if your policy has to be changed. Full details of the charges applicable can be found on the latest version of your Schedule.

Your policy may be deemed to be invalid from the date you provided us with such information and all benefits under this policy may be forfeited.

Where you have provided false information, we reserve the right to cancel your policy with immediate effect and without providing you with any warning. In these circumstances, Condition K. Our right to reclaim payments - conditions which apply to your whole policy will apply and you may be required to repay to us any payment that we have been obliged to pay on your behalf.

P. Financial sanctions

We shall not provide any cover or be liable to provide any indemnity, payment or other benefit under this policy to the extent that the provision of such cover, indemnity, payment or other benefit would expose us to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom, United States or other country of policy issue.

If any such resolution, sanction, law or regulation takes effect during the period of insurance we may cancel this policy immediately by giving you written notice at your last known address.

Q. Law and language applicable

Under the laws of the United Kingdom (England, Scotland, Wales and Northern Ireland) both you and we may choose the law which applies to this contract, to the extent permitted by those laws. Unless you and we agree otherwise, we have agreed with you that the law which applies to this contract is the law which applies to the part of the United Kingdom in which you live, or, if you live in the Channel Islands or the Isle of Man, the law of whichever of those two places in which you live.

We and you have agreed that any legal proceedings between you and us in connection with this contract will only take place in the courts of the part of the United Kingdom in which you live, or, if you live in either the Channel Islands or the Isle of Man, the courts of whichever of those two places in which you live.

Any guaranteed hire car provided by us is intended to keep you mobile whilst the repairs are carried out and is not meant to be equivalent in terms of the size, type, value or status of your car.

If you have purchased **Section 6 – Guaranteed hire car upgrade** you may choose any other vehicle repairer, it will not affect your right to claim. However, we may not be able to arrange any of the above benefits or automatically insure any replacement car for you. We will give you a hire car up to the limit shown on your Schedule (we will cover the car provided under the terms of the policy).

If you choose not to use one of our recommended repairers we will:

- require an estimate which we must approve prior to repairs commencing
- require the damage to be assessed by one of our own engineers
- not guarantee any repair even though we may pay for those repairs directly.

If your car is stolen or a total loss

If you have purchased **Section 6 – Guaranteed hire car upgrade** we will provide you with a hire car from one of our preferred suppliers, up to the limit shown on your Schedule.

HOW WE USE YOUR PERSONAL INFORMATION

Your privacy is important to us and we are committed to keeping it protected. We have created this Customer Privacy Notice which will explain how we use the information we collect about you and how you can exercise your data protection rights. This Privacy Notice will help you understand the following:

Who are we?

We are Royal & Sun Alliance Insurance plc (RSA), we provide commercial and consumer insurance products and services under a number of brands, such as MORE TH>N. We also provide insurance services in partnership with other companies.

Why do we collect and use your personal information?

As an insurer, we need your personal information to understand the level of insurance cover you require. We'll use this information (e.g. your name, address, telephone number and email address) to communicate with you and if you have agreed, to send you news and offers related to our products and services.

We need to use your information to create a quote for you, allowing you to buy insurance products from us. When buying a product from us, you'll also need to provide us with details about the items you wish to be covered by the insurance (e.g. car make and model, your home).

We may need to check information you have submitted with external companies/organisations (e.g. the DVLA, the Motor Insurance Database, credit reference agencies and criminal conviction checks.) When buying certain products, sometimes we will ask for special categories of personal data (e.g. driving offences for motor insurance, medical records in case of injury).

Once you become a customer, we'll need to take your payment details to set up your cover. This could be direct debit, credit or debit card information. To service your policy, we might contact you via our website, emails, telephone calls or post. When using these services we might record additional information, such as passwords, online identifiers and call recordings.

For some of our products, we may collect information through smart sensors to assess your insurance needs (e.g. a black box installed in your vehicle when you buy a telematics driving product, which collects and uses geo-location and driving behaviour data).

If you need to claim against your insurance policy, we will need to collect information about the incident and this may be shared with other selected companies to help process the claim. If other people are involved in the incident, we may also need to collect additional information about them which can include special categories of personal data (e.g. injury and health data).

In submitting an application to us, you may provide us with equivalent or substantially similar information relating to other proposed beneficiaries under the policy. You agree that you will bring this Privacy Notice to the attention of each beneficiary at the earliest possible opportunity.

Data protection laws require us to meet certain conditions before we are allowed to use your personal information in the manner described in this Privacy Notice. To use your personal information, we will rely on one or more of the following grounds:

- **Performance of contract:** We need to use your personal information in order to provide you with the policy (which is a contract of insurance between you and us), and perform our obligations under it (such as making payments to you in respect of a claim made under the policy).
- **Consent:** In certain circumstances, we may need your consent unless authorised by law in order to use personal information about you which is classed as "special categories of personal data".

For marketing, you will always be given a choice over the use of your data.

- **Necessity to establish, exercise or defend legal claim –** If you, or we, bring a legal claim (e.g. a court action) against the other, we may use your information in either establishing our position, or defending ourselves in relation to that legal claim.
- **Compliance with a legal obligation –** Where laws or regulations may require us to use your personal information in certain ways.
- **Legitimate Interests –** We will also process your personal information where this processing is in our "legitimate interests". When relying on this condition, we are required to carry out a balancing test of our interests in using your personal information (for example, carrying out market research), against the interests you have as a citizen and the rights you have under data protection laws. The outcome of this balancing test will determine whether we can use your personal information in the ways described in this Privacy Notice. We will always act reasonably and give full and proper consideration to your interests in carrying out this balancing test.

Where else do we collect information about you?

Where possible, we'll collect your personal information directly from you. However, on occasion we may receive details about you from other people or companies. For example, this might happen if:

- It was given to us by someone who applied for an insurance product on your behalf (e.g. an insurance broker, a family member) where you have given them the permission to do so; or
- It was supplied to us when you purchased an insurance product or service that is provided by us in partnership with other companies; or
- It was lawfully collected from other sources (e.g. Motor Insurance Database, Claims and Underwriting Exchange or fraud prevention databases) to validate the information you have provided to us.

0330 100 0593

We request those third parties to comply with data protection laws and to be transparent about any such disclosures. If you would like some further information, please contact us.

Will we share your personal information with anyone else?

We do not disclose your information outside of RSA except:

- Where we need to check the information you gave to us before we can offer you an insurance product (e.g. reference agencies);
- Where we are required or permitted to do so by law or relevant regulatory authority (e.g. financial crime screening, fraud detection/prevention);
- Where we provide insurance services in partnership with other companies (e.g. building societies, large retailers);
- In the event that we are bought or we sell any business or assets, in which case we will disclose your personal information to the prospective buyer of such business or assets;
- As required to enforce or apply this Privacy Notice, or the contract of insurance itself;
- Within our group for administrative purposes;
- As required in order to give effect to contractual arrangements we have in place with any insurance broker and/or intermediary through which you have arranged this policy;
- With healthcare providers in the context of any relevant claim being made against your policy;
- If we appoint a third party to process and settle claims under the policy on our behalf, in which case we will make your personal information available to them for the purposes of processing and settling such claims;
- With our third party service providers (including hosting/storage providers, research agencies, technology suppliers etc.);
- With our reinsurers (and brokers of reinsurers) in connection with the normal operation of our business;

Sometimes your personal information may be sent to other parties outside of the European Economic Area (EEA) in connection with the purposes set out above. We will take all reasonable steps to ensure that your personal information is treated securely and in accordance with this Privacy Notice, and in doing so may rely on certain "transfer mechanisms" such as the EU-US Privacy Shield, and the standard contractual clauses approved by the European Commission. If you would like further information please contact us.

Which decisions made about you will be automated?

Before we can offer you an insurance product or service, we may need to conduct the following activities, which involve automated (computer based) decision-making:

- **Pricing and Underwriting** – this process calculates the insurance risks based on the information that you have supplied. This will be used to calculate the premium you will have to pay.

- **Credit Referencing** – using the information given, calculations are performed to evaluate your credit rating. This rating will help us to evaluate your ability to pay for the quoted products and services.
- **Smart Sensor Data Analytics** – an insurance product that collects your information using smart sensors (e.g. in car black box) to calculate your insurance risk (e.g. driving score). This may then be used to determine your policy rewards (e.g. cash back for safe driving) and to calculate your policy renewal premium.
- **Automated Claims** – some small claims may qualify for automated processing, which will check the information you provide, resulting in a settlement or rejection of your claim.

The results of these automated decision-making processes may limit the products and services we can offer you. If you do not agree with the result, you have the right to request that we perform a manual reassessment using the same information that you originally provided. If you wish to do so please contact us.

For how long will we keep your information?

Your personal information will be retained under one or more of the following criteria:

- Where the personal information is used to provide you with the correct insurance cover, which will be kept as long as it is required to fulfil the conditions of the insurance contract.
- Where the use of your personal information for a specific purpose is based on your consent, it will be kept for as long as we continue to have your consent (e.g. we would stop contacting you for marketing purposes once you have asked us to).
- Where, for a limited period of time, we are using some of your information to improve the products or services we provide.
- For as long as your information is required to allow us to conduct fraud and/or criminal checks and investigations.

Will you be contacted for marketing purposes?

If you have agreed, we might contact you by post, email, phone and text message to let you know about offers and services we think you'll like. The messages may be personalised using information you have previously provided us.

You can ask us to stop contacting you for marketing purposes at any point.

We will only contact you for marketing purposes if we collected your information directly, except when authorised and instructed by the third-party acting on your behalf.

We may use the information which we collect about you to show you relevant advertising on third-party websites (e.g. Facebook, and Google). This could involve showing you an advertising message where through the use of cookies, we

know you have browsed our products and services. If you don't want to be shown targeted advertising messages from us, you can change the advertising setting on some third-party sites and some browsers to block our adverts.

Your information is incorrect what should you do?

If you hold a product or service with us and think that the information we hold about you is incorrect or incomplete, please contact us and we will be happy to update it for you.

What are your rights over the information that is held by RSA?

We understand that your personal information is important to you, therefore you may request the following from us to:

- 1 Provide you with details about the personal information we hold about you, as well as a copy of the information itself in a commonly used format. [Request Ref: DSR 1]
- 2 Request your personal information be deleted where you believe it is no longer required. Please note however, we may not be able to comply with this request in full where, for example, you are still insured with us and the information is required to fulfil the conditions of the insurance contract. [Request Ref: DSR 2]
- 3 Request the electronic version of the personal information you have supplied to us, so it can be provided to another company. We would provide the information in a commonly used electronic format. [Request Ref: DSR 3]
- 4 Request to restrict the use of your information by us, under the following circumstances [Request Ref: DSR 4]:
 - a. If you believe that the information we hold about you is inaccurate, or;
 - b. If you believe that our processing activities are unlawful and you do not want your information to be deleted.
 - c. Where we no longer need to use your information for the purposes set out in this Privacy Notice, but it is required for the establishment, exercise or defence of a legal claim.
 - d. Where you have made an objection to us (in accordance with section 5 below), pending the outcome of any assessment we make regarding your objection.
- 5 Object to the processing of your data under the following circumstances [Request Ref: DSR 5]:
 - a. Where we believe it is in the public interest to use your information in a particular way, but you disagree.
 - b. Where we have told you we are using your data for our legitimate business interests and you believe we shouldn't be (e.g. you were in the background of a promotional video but you did not agree to be in it.)

In each case under section 5 above, we will stop using your information unless we can reasonably demonstrate legitimate grounds for continuing to use it in the manner you are objecting to.

If you would like to request any of the above, please contact us and submit a written request, including the request reference (e.g. DSR 1), as this will speed up your request. To ensure that we do not disclose your personal information to someone who is not entitled to it, when you are making the request we may ask you to provide us with:

- Your name;
- Address(es);
- Date of birth;
- Any policy IDs or reference numbers that you have along with a copy of your photo identification.

All requests are free of charge, although for requests for the provision of personal information we hold about you (DSR1) we reserve the right to charge a reasonable administrative fee where, we believe an excessive number of requests are being made. Wherever possible, we will respond within one month from receipt of the request, but if we don't, we will notify you of anticipated timelines ahead of the one month deadline.

Please note that simply submitting a request doesn't necessarily mean we will be able to fulfil it in full on every occasion – we are sometimes bound by law which can prevent us fulfilling some requests in their entirety, but when this is the case we will explain this to you in our response.
