## Freight & haulage

### Freight

Whether your clients are couriers, road hauliers, freight forwarders, warehouse keepers or rail operators, Freight is tailored to meet their individual requirements. We can provide cover for your client's liability for third party cargo while it's within their custody or control. Whether it's being moved or stored and responds to the host of contract conditions clients may operate under (e.g. RHA, FTA, BIFA, UKWA. Full responsibility (where contract conditions are not used) and other contract conditions. One policy. Wide cover.

#### Target Risks

- Haulage operations,
- Warehouse keepers
- Freight forwarders
- Couriers

### Haulage (including employers & public liabilities)

Protects SME clients for their liability of loss or damage to customer goods while in their care. And because we understand that even small businesses can have haulage risks ranging from straightforward to complex we make sure those varied needs are covered. This product is traded online. Enabling you to get a fast quote online with flexible cover to meet liability requirements as governed by haulier contract conditions, including under: RHA conditions (including increased financial limits, if required), CMR (UK only or UK and Europe) & Full Responsibility (where contract conditions are not used). Cover can be extended to include cover for Trailers, Cargo entrusted to subcontractors, Public Liability & Employers' Liability.

#### Target Risks

- Haulage contractors
- Couriers

## Transportation

### Maritime Equipment

Uninterrupted coverage designed to meet the specialist needs of the owners of maritime equipment.

Our global cover includes cover for owned and hired in equipment whilst:

- Sub sea
- Topside
- Whilst on Transit
- In store or operation

Cover can be extended to include goods sold or purchased by the customer under the specific cargo section of the policy. Target risks are ROVs (Remotely operated vehicles), Oceanographic sonar and survey equipment, AUVs (Autonomous underwater vehicles), Mooring equipment, Trenchers, Ploughs, Dive bells, 'On vessel' fixed equipment (not covered by a Hull insurance policy).

### Hull

Hull and machinery products are designed for a broad spectrum of UK businesses that own or operate commercial vessels. All policies include physical loss to the vessel cover, and can include cover for liability to third parties on request.

#### Target risks;

- Crew Transfer vessels,
- Windfarm Support vessels,
- Tugs and other working craft on inland, coastal & ocean going waters.

### Marine Trades

Designed for UK businesses working within the marine trades industry, with flexible liability and property covers. We cover third party liability, plus these extras that can include property, insured handling equipment, builders' risks, business interruption, vessels, and employers' liability.

#### Target risks

- Wet & dry marinas
- Vessel storage operators
- Repairers and builders
- Pontoon and marina equipment manufacturers and installers,
- Boat dealers
- Yacht clubs,
- Chandlers and maritime equipment suppliers
- Harbour commissioners,
- Marine contractors & engineers and skippered charter boat rental operations

# What sets RSA apart?

## 1. Risk

We can cover most businesses big and small

## 2. Underwriters

Regional offices team to provide local underwriting expertise

## 3. Claims

Brokers and policyholders can notify us of cargo claims worth up to £10,000 online. The simple, step-by-step system helps gather all the information we need at a time and pace that suits you. RSA Cargo FNOL [cargoclaimsonline.com](http://cargoclaimsonline.com)
