Product information

Great professional insurance made simple

From freelancers to established consulting firms, anyone offering professional services risks claims of negligence when the advice or service given fails to meet client expectations.

That's where we come in – from claims that can range from breach of contract to defamation to IP infringement, at RSA we have the expertise and know-how.

For mid-market businesses
For businesses with an income above £1m, our specialist regional underwriters will work closely with you to create the right solution for the business.

For small businesses

E-Trade have specific parameters for Target Customers to allow straight through trading:

- Accountants with a maximum turnover of £1,000,000
- Surveyors with a maximum turnover of £1,500,000
- Engineers with a maximum turnover of £1,500,000
- General Consultants/Business services with a maximum turnover of £2,000,000
- Media/Technology Consultant with a maximum turnover of £2,500,000.

Clear, concise, competitive

We've honed this product to make it easy and efficient to get the Professional Indemnity Insurance you need – whether you work closely with an underwriter in your region, or trade online.

Faster decisions

You can get fast, effective decisions by phone or email from our specialist PI underwriting team who have a deep understanding of a wide range of professions. For any queries about e-trading, you can get a fast response with live chat.

Competitive pricing across economic cycles

We offer competitive pricing for target customers across a wide range of professions.
