

Cargo

Factsheet

Our London Market Cargo insurance team creates tailored solutions for your clients, helping them navigate the vast and complex world of global shipping and logistics. Our global reach allows us to offer our large and risk managed clients fully compliant global programmes written on a 100% basis. We provide expertise and coverage in all aspects of Cargo and Stock Throughput. This includes single voyage facultative movements to Large, complex and Global Stock Throughput placements.

Appetite Coverage

We have a range of expertise in different industries including but not limited to:

- Pharmaceuticals
- Motor Vehicles
- Foodstuffs / food products
- General containerised cargo
- Commodities, including commodity trade
- Project Cargo and Heavy Lift
- Excess Static Stock and Cargo solutions.

Our limited risk appetite includes:

- Dual use or military goods
- Lineslip arrangements (other than RSA lead)
- Rejection and Rejection Expenses
- Tobacco products
- Wet tows
- Logistics providers (subject to single customer/single contract)
- Satellites and Space vehicles as cargo
- Motor Vehicles (non-original manufacturers and including Industrial and recreational vehicles)
- Metals (precious)

Key Features of Coverage

We look to provide tailored solutions to all our clients. This could include simple cargo insurance for manufacturers and suppliers that only have certain responsibilities to insure their products.

However, our specialism lies in Stock throughput solutions, providing seamless coverage for goods, materials, equipment and other products throughout their journey. Our cover includes storage at the factories or supplier warehouses.

We also protect transits to various logistics hubs. This applies during consolidation and distribution until they reach their final destination, whether that is a retail store, project site or another location worldwide.

Target Audience / Customer / Industry:

- Building materials
- Bulk commodities
- Consumer goods including but not limited to:-
 - Apparel (including textiles and unfinished goods)
 - Electronic Goods including mobile/cell telephones and tablets
 - White goods
 - Furniture
 - Cosmetics and Perfume
 - Glass and other Fragile products
- Computers, accessories and parts
- Microchips and semiconductors in isolation
- Foodstuffs & food products
- Motor vehicles (Original Manufacturers)
- Oils, Gas & chemicals
- Plant & machinery
- Project Cargo with or without Delay in Start-Up and facultative heavy lifts
- Renewable Energy components including but not limited to Solar Panels as cargo
- Excess Stock
- Lineslip arrangements (RSA lead)
- Pharmaceuticals
- Commodity Trade (excluding Banks and Investment Organisations)
- Agri Products including but not limited to grains and fertilisers
- General/containerised merchandise
- Metals (non-precious)

Open up a World of Specialists

Tailored Solutions. Expertly Applied.

We ensure we have the right people in place with high-quality expertise to work in partnership with our clients. We do this by listening and deeply understanding them and their business. Helping to provide actionable insights to mitigate risk and a focus on having a flexible mindset to solve problems and explore alternative solutions.

Knowledge that takes your business further

Our team brings expert understanding of your sector's risks. From industry specialists to risk consultants, they help match our service to your evolving needs.

Partnerships that make the difference

We act as an extension of your business. This means we'll work with you to shape and deliver an effective insurance solution and risk management strategy.

Solutions that are grounded in reality

We strive to deliver pragmatic solutions based on your budget, current situation and future plans. We aim to help you save your business time and money; protecting your people, your reputation and your bottom line; and keeping your business moving.

Financial security

Agency	Financial Strength	Outlook
AM Best	A	Stable
Fitch	AA-	Stable
Moody's	A2	Positive

Why RSA

RSA UK Specialty Lines is part of Intact's Global Specialty Lines, which offers integrated global propositions for brokers and customers with more complex international risks. Intact's Global on Specialty Lines business spans across more than 20 verticals in four distinct markets – U.S., Canada, U.K., and Europe. With access to more than 70% of the global specialty lines market, the ability to write business in more than 150 territories, and 130 global network partners. We have the expertise and capacity to successfully manage global specialty needs.

Our teams focus on businesses both in the UK and globally. Using their knowledge and experience to understand the needs of your clients and provide quality insurance solutions and specialist advice and guidance.

To meet the growing needs of multinational organisations seeking a single-sourced insurance programme, we provide a solution to simplify their protection. Our global programme is designed with the aim to meet their expectations in terms of costs, coverage and compliance.

Clients can rely on us, as a reputable multinational insurer. We have the local knowledge and global experience to coordinate requirements, from country to region and structure insurance solutions that protect their global operations.
